Safety Certifications

AVANTI
Established 1885

Because being compliant is a choice, being safe & compliant is not.

- Inspections
- Certifications
- Service
- Training

WITH AVANTI
YOU ONLY NEED
ONE SAFETY
AND SERVICE
INSPECTION

INCREASE SAFETY AND LOWER COSTS

You do not need dozens of inspectors in your tower.

Avanti helps you solve your safety and compliance challenges with just one inspector.

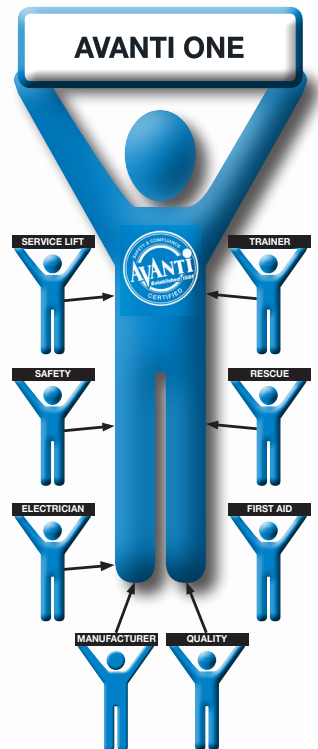

How Avanti Safety Certifications Will Simplify Your Safety Compliance Program

- Only **ONE** service provider will be performing all safety inspections.
- Only **ONE** service provider on site means less paperwork.
- Only **ONE** contact for quotes, questions and payment.
- Only **ONE** JSA orientation to perform.
- Only **ONE** location for your Safety and Compliance documents.
- Only **ONE** person on site, reducing the risk of accidents.

Avanti Safety Certifications Will Lower the Costs of Maintaining Safety Compliance

- Mobilization and demobilization only occurs once.
- Reduces cost of site personnel having to manage multiple on site inspectors.
- With only one shutdown and one startup needed, turbine interruptions are greatly reduced.
- Entire Safety and Compliance responsibility is with one service provider: AVANTI.
